MUSCAT PETITS GRAINS
AOC Muscat de Saint-Jean-de-Minervois

The AOC Muscat de Saint-Jean-de-Minervois is located only on the village of Saint Jean de Minervois, at the extreme north of the Minervois, an area of 205 hectares.

The plots are in the garrigue (wild vegetation), the vineyard is 250 meters above sea level: a terroir Mediterranean climate, tempered by altitude .

Only grape variety allowed, the Muscat petits grains is rooted in a sparkly white calcareous soils.

A lot of finesse and freshness to this muscat, very well presented with flavor floral notes.

Nice to taste it in aperitif, this Muscat blends perfectly with foie gras, or a dessert.
